

Temporary Worker

Position: Temporary Worker

Job Status: Open: applications accepted until position is filled

Compensation: \$19.04 to \$23.61/ hour DOE/Q

North Perry Avenue Water District is located in Bremerton, Washington. We are accepting applications for a Temporary Worker for this upcoming summer season. We are in search of a committed, enthusiastic, and motivated self-starter to join our team. This position assists in the construction and maintenance work necessary for maintaining the district water supply and distribution system. This position reports to the Field Supervisor. This Temporary Worker position will work from 6:30am to 5:00pm Monday through Thursday.

Benefits and Salary:

- 1-hour sick leave earned for each 40 hours worked
- \$19.04 to \$23.61 hour / DOE/Q

Example of Duties:

- Assist with the maintenance of facilities such as mowing, weed whacking, painting of buildings and/or fire hydrants
- Other duties as assigned

Necessary Skills and Abilities:

- Clear and effective communication (including though not limited to oral, written, and electronic)
- Ability to work with others as a team
- Ability to work individually as directed
- Ability to safely operate various power and hand tools
- Effective, respectful, and kind customer service
- Possession of a current Washington state traffic control flagger card is a plus

Requirements:

- High school diploma or equivalent

- Possess a valid Washington State driver's license
- Be capable of being insured
- Physical ability to lift 50 pounds, perform semi-heavy labor possibly in adverse weather conditions, and in emergency situations be able to work any hours of the day or night

Application Process:

Applications can be found at the below link. They can be filled out and submitted from there or printed and returned to our office via mail or our drop box located at 2901 Perry Avenue Suite 15, Bremerton, WA 98310. Drop box applications need to be in a sealed envelope and marked **Attn. Austin Muhleman**. A resume and cover letter are required with all applications.

Upon review of applications, selected applicants will be contacted for possible interview or additional information. Interviewed applicants will be required to provide a driving abstract. North Perry Water is a Drug-Free Business. As such a pre-employment drug screening is required before any employment has commenced along with a background check.
